L. Suzie Choobak

RE: My Sincere appreciation for all your dedication and support

Dear Ms Suzie:

I would like to take this moment to express my sincere appreciation for all your years of dedication and hard work in caring for my two sons Angelo and Bobby. I came to you when my life was going through much transition (move, divorce etc ... ) and you were not just a place for my kids to go while I worked hard to recover from our transitions, but instead you were also a shoulder to lean on and a wonderful friend.

Your structured day care facility is more like a pre-school facility and has earned my respect and return dedication. My kids come home happy, clean, content and most of all with new wisdom as your structured routines offer so many wonderful programs such as art projects, singing and dancing, new games, and much much more.

Again THANK YOU for always caring for my sons as your own. I especially want to acknowledge your ability to run a tight and orderly ship. My sons know that you are not a push over and that you have rules and they have learned to respect those rules which make the rules at home even easier to follow for them since they are in a routine of following your rules.

It is sad that Angelo will be leaving you in just a few weeks, but I will look forward to yet another year of sharing my son Bobby with you and your facility. Thank you Ms Suzie, may you be blessed in the years to come and may life always be kind to you and your family.

Again thank you from the bottom of our hearts!

All our love,
